

JANSIM REG'D - STUD SERVICE AGREEMENT (SAMPLE ONLY)

The following are pre-requisites for accepting a bitch for breeding:

Negative brucellosis test no earlier than 10 days prior to arrival on Stud owners premises.

Current CHIC Report

Information on the CHIC program as it pertains to Border Terriers may be found at:

<http://www.caninehealthinfo.org/brdreqs.html?breed=BRT>

It is expected that the owner of the brood bitch will take all necessary precautions to ensure that the bitch is free of internal and external parasites.

The above stud dog was bred to the above brood bitch on the following dates:

The consideration for this stud service is the sum of **\$XXX** or first *available** pick puppy at stud owners discretion. (*It is expected that it is the brood bitch's owner's intent to keep pick puppy)

This fee excludes "extraordinary" veterinary expenses (artificial insemination, treatment for conditions not related to normal breeding practices).

This fee includes reasonable travel expenses incurred by the stud owner.

This stud service is subject to the **CONDITIONS** that follow.

CONDITIONS:

1. The owner of the bitch certifies that bitch has not been bred to any other dog during this heat cycle and that the utmost care will be taken to ensure that she is not bred to any other dog after this service has been provided.
2. The owner of the bitch certifies that to the best of their knowledge and belief the bitch is in good general health, of sound temperament and free of major hereditary defects.
3. In the event that the stud dog owner exercises the "puppy" back option, the choice will be made no later than 12 weeks after whelping and no earlier than 8 weeks after whelping.
4. In the event that the stud dog owner does not exercise the "puppy" back option, the stud fee will be paid at the time that the litter registration application is signed.
5. If the bitch fails to conceive, or reabsorbs before full term, or the litter is lost prior to weaning, the owner of the brood bitch has the option of a repeat breeding under the same conditions.
6. The owner of the brood bitch agrees to notify the stud owner of the names and addresses of the people with whom puppies are placed.
7. The owner of the brood bitch agrees to sell companion quality puppies on a spay/neuter agreement.
8. The owner of the brood bitch agrees to sell all puppies on a lifetime buy back/take back contract. In the event that the owner of the brood bitch is unable to fulfil this aspect of the contract at a future date, the owner of the stud dog will do so. Any repayment will be dependent on the age and condition of the dog as per the Jansim Reg'd Puppy Sales Agreement and in accordance with Jansim Reg'd puppy prices.

The owner of the stud dog will take every normal precaution to ensure the safety, comfort and well being of the bitch while at the home of the stud dog owner. The owner of the stud dog shall not be responsible for any illness, injury, or death of the bitch during her stay at the home of the stud dog owner. Acknowledging the inherent risks, the owner(s) of the bitch hereby agree to waive and release the stud dog owner from any all liability of any nature, for illness, injury, damage, or death of the bitch while traveling and while in the care of the stud dog's owner.

This agreement is made for our mutual protection, to protect the owner of the brood bitch and the owner of the stud dog.
